ALLIANT DATA SYSTEMS ANNOUNCES RELEASE OF CAMPUSKEY MOBILE

Mobile Platform harnesses the robust functionality of the CampusKey Student Portal and adapts it for iOS and Android operating systems

Atmore, AL, 1BAugust 30, 2017– Alliant Data Systems, Inc. is pleased to announce the release of CampusKey Mobile, a mobile platform that brings the rich functionality of the CampusKey Student Portal to iOS and Android operating systems. CampusKey Mobile will be available in Release 44.

“We are excited to give students an even easier way to access critical functions related to their academic experience. CampusKey Mobile incorporates many of the features of the student portal and adapts them to a mobile platform. We are committed to providing our colleges with the solutions they need and this is just another step on that journey.” -- Kevin Strickland, Alliant CEO

Functions available on CampusKey Mobile include:

- Registering for classes
- Checking grades
- Reviewing invoices
- Paying Fees
- Viewing schedules
- Drop/Add
- Viewing class records
- Viewing GPA

Alliant Data Systems is an Alabama-based company with a long history of providing software solutions for educational institutions in the Southeast.
