ALLIANT IS MOVING

New headquarters to improve
communication and support

Spanish Fort, AL - Alliant Data Systems, a leading provider of cloud-based, system-wide ERP solutions for colleges and other educational institutions, announced today that they are moving their offices to the executive suites at the Eastern Shore Centre in Spanish Fort, Alabama.

The address of the new corporate headquarters is: **30500 State Highway 181, Suite 454, Spanish Fort, AL 36527**. Any mail correspondence with Alliant should be directed to this new address.

All other contact information, including phone numbers and email addresses, is expected to remain the same.

The move to Eastern Shores will boost communication capabilities, offer better service opportunities and provide upgraded facilities for Alliant staff.

The move has been in the planning stages for several months and will be complete July 1, 2019.

What Customers Say About Alliant:

"Alliant listens closely to their customers and works with them as partners to create solutions to meet each department's needs"
